

We would like to inform you of The Coastal Empire Region PCA's Driver's Education event scheduled at Roebing Road Raceway on August 6th and 7th, 2011. For those of you who may be first timers, you will find Roebing Road to be a technically challenging, but safe and fun track.

We have opened registration and would urge all Coastal Empire members to consider attending both the DE and the Saturday night BBQ.

We planning on holding the Saturday night BBQ at the host hotel: Hampton Inn.

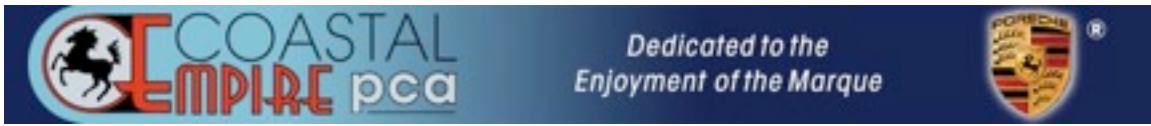

This event is open to all makes and models, including convertibles with the proper roll bar protection. The only requirements are: (1) drivers must be 18 to enter, (2) your vehicle has to be safety-checked by a mechanic within two weeks of the event and (3) drivers must wear helmets.

This event is being scheduled to coincide with the end of the Porsche Parade being held in Savannah, Georgia. We are also sponsoring another Heros on Track program on Saturday, August 6th, to support our disabled veterans.

We anticipate a larger than normal crowd, so please register early to assure your place.

Whether you are interested in trying this type of event for the first time or are returning as an avid "track junkie," we have something for all skill levels. As a beginning student you will have classroom sessions and a full-time instructor in the car with you while on the track. This will greatly assist in understanding your skills and the capabilities of your car.

If you have been considering trying a Driver's Education Program for the first time but are concerned about purchasing a helmet and then not wanting to continue, we have something for you. **The Coastal Empire Region has a limited number of helmets for you to wear at this event, free of charge.** For those who are interested in staying close to the track, we have arranged a special rate at the Hampton Inn & Suites Savannah Airport, 70 Stephen S. Green Drive, Savannah, GA 31408; phone: 912-966-1240. The rate is \$69 per night. When making your reservation, please make sure you mention you are part of the Coastal Empire Region PCA event at Roebing Road Raceway.

We will do Grid Tech and Registration on Friday afternoon at the track between 3 and 5 PM. Then it's off to the hotel (Hampton Inn & Suites, Savannah Airport) to continue Tech/Registration and enjoy pizza, beer and friendship. Grid Tech and Registration continues from 7 to 7:45 AM Saturday morning at the track.

To find more information relating to the track, please visit:
www.roeblingroad.com

For Students in the Green run group, we will have one passing zone.

For participants in the Blue, White and Black run groups, we will have 3 passing zones.

For participants in the Red run group, we will have extended passing.

No matter what your run group, all passing is done with a point by.

Please register early to confirm your attendance!

Our pricing structure is:

PCA Instructors: \$75

One Day Option: \$125

PCA Members: \$200

Non PCA Participants: \$225

Active Military Participants: \$175
