

Registration 2011—Porsche Parade Savannah, Georgia

Version: April 5, 2011

The 56th Porsche Parade will be held in Savannah, Georgia Sunday, July 31st – Saturday August 6th, 2011. Rules pertaining to the Parade, and registering for the Parade, are outlined in the Parade Competition Rules (PCRs). The PCRs can be found on the PCA website www.pca.org under Regions/Forms and Documents.

Prior to Registering

We encourage you to read through this registration document. It will help you to plan your events with your co-entrant before you register on-line.

Ensure you have an account for the member only portion of www.pca.org. You will need to login to register for Parade. Check to see that all your information is correct, especially your email! All pre-Parade materials are sent to you via email, and/or are posted to the Parade website at parade2011.pca.org.

Before you register, at the very least, you will want to know:

- Your meal selections
- Volunteer selections and T shirt sizes for volunteers
- Competitive event selection for each participant, and the class for each event
- Ages of all children attending
- Do you want to participate in any tours or other special events?

Registration

Registration for the 2011 Porsche Parade opens on Tuesday, March 8th 2011. All registrations entered on-line or postmarked before midnight Thursday March 10th will receive equal priority.

If you register on-line, you must pay with a VISA, American Express, or MasterCard in U.S funds. If you cannot register online, please call Susan Brown at 760-505-2514 (Pacific time).

All fees paid will be recorded and deposited at the time of registration.

Parade registrations are not transferable. Fifty percent (50%) of your registration fee and 100% of your banquet fees will be refunded if your emailed cancellation request is received on or before July 20, 2011. There is no refund for cancellations made after July 20rd. You may make changes to your registration at any time before July 20rd.

Registrations received after July 1st, but prior to July 20rd will be assessed a \$50 late fee.

Advance registration is mandatory—there is no on-site registration during the Parade.

Registration Fees

Everyone signing up for the Parade must pay a registration fee of \$149, which covers the entrant and co-entrant. Entrants and co-entrants must be PCA Members, but they need not be family or affiliate members. This fee pays for your admittance to the Parade, registration materials, goodie bag, etc. Specific events may have additional fees. An entrant may only enter one car, and only Porsches as defined in the PCR's may be registered. However, if a Porsche that is not legal for street use is registered, a second Porsche may be registered for use in the Rally only.

JPP/CAFP entrants:	\$19/each
Other family members:	\$29/each

JPP (Junior Participant Program) entrants are the sons, daughters, nieces, nephews and grandchildren of PCA members who are 16 or 17 years old. CAFP (College-Aged Family Program) entrants are the the sons, daughters, nieces, nephews and grandchildren of PCA members who are 18-24 years old.

Other guests are welcome, however, only the entrant, co-entrant and JPP/CAFP entrants may enter the competitive events (except children ages 13-15 may register for the Tech Quiz). If other guests are PCA Members, they must submit their own registration and pay their own registration fee to enter the competitive events.

JPP and CAFP entrants are required to drive the same automobile as their sponsoring PCA member and in the same respective men's and ladies classes as their sponsoring PCA member. The TSD navigator may be any registered entrant or co-entrant, except that JPP/CAFP participants must navigate for a sponsoring PCA member.

Competitive Event Fees:

\$30/per car for Concours
\$30/per person for Autocross
\$15/per person for Tech Quiz
\$15/ per car for TSD Rally

Check-in

Registrants should check-in for the Parade Sunday, July 31st between the hours of 8 AM and 5 PM. This is the only time all the event chairs will be together to answer all of your questions, and ensure you and your car are correctly classified for the competitive events. At Check-in you will select your seats for the two formal banquets—the Concours and Victory dinners, receive your goodie bag, name badges (required for entrance to all the activities), and meet old and new friends.

Onsite Check-in is mandatory before participation in events, and there are deadlines for checking in prior to the competitive events. While late check-in is available during the week; the most rewarding Parade experience begins with checking in on Sunday and missing a deadline means you will not be able to compete. See the Parade Competition Rules on www.pca.org for details.

Banquet Tickets

Select the banquets you wish to attend when you register, or any time prior to July 20th. You may purchase a package for all the meals/food related events or you may purchase each individually. The package does not include children's (age 12 and under) meals, which must be purchased individually.

Vegetarian and special dietary needs meals will be available by special request.

Competitive Events

Banquets

All of our banquets will be held at the beautiful riverside Savannah International Trade & Convention Center, also 'home' to most Parade week activities. We plan to incorporate some good 'ole southern food, hospitality and traditions to this year's banquets. There will also be two 'free' nights where you can experience some of historic Savannah's wonderful and quaint restaurants and nightlife, all just a free ferry ride away, across the river.

After a few years' hiatus, the Welcome Party will be a German buffet, with all of the usual favorites—Joghurt Salatsauce Mit Greens; Warm German Potato Salad; German Tomato Salad; Schnitzel Holstein; Grilled Bratwurst and Sauerkraut; Sauerbraten; Kaes-Spaetzle; Parsley Butter Potatoes; Red Cabbage with Apricots and Balsamic Vinegar; Hot German Green Beans Tossed with Warm Bacon Vinaigrette; Pretzel Rolls ; Black Forrest Cake or Apple Streudel for dessert.

The Concours banquet will be our most 'formal' banquet, with a menu to reflect that—Mixed Green Salad; Dual Entrée of Bacon Wrapped Sirloin & Savannah Crabcake with Cajun Remoulade Sauce; Fresh Mashed Potatoes; Creamed Spinach; Rolls; Dessert is either Chocolate Suicide Cake or Seasonal Berries with Grand Marnier Crème Anglaise.

We have something different and fun planned for the Rally Banquet—a Casino Night, with 'dine around' food stations of heavy hors d'oeuvres—Carved Steamship Round of Beef; Southern Grits Bar; Mini Baked Potato Bar; a display of eight different hot and cold hors d'oeuvres and also a dessert display. The pricing includes the food AND the gaming, so brush up on your Blackjack, Poker and dice skills. There will even be a gaming corner for the kids!

The Autocross Banquet will be a fun one, too—a "Low Country Boil" dinner, a Southern favorite and tradition. It will be served 'family style' and includes—Mixed Green Salad; Potato Salad; Dixie Slaw; Tomato-Cucumber Salad; Low Country Boil of Potatoes, Corn, Kielbasa and Shrimp Served with Lemons, Butter and Cocktail Sauce; Fresh Seasonal Vegetable; Rolls; and for dessert, either Banana Berry Cake or Peach Cobbler.

The Victory Banquet will be the culmination of our Parade week, where we will reflect on our past week together, as well as hear about our next opportunity to all get together, at Parade 2012! The menu—Caesar Salad; Chicken Valois (Grilled Frenched Breast of Chicken with Swiss Cheese, served with a Light Sherry Sauce); Wild Rice; Green Beans and Carrots; Rolls; White Chocolate Mountain Cake or Key Lime Pie for dessert.

Vegetarian options are available for the three plated meals, the Concours, Autocross and Victory Banquets. Order these, or list any other special dietary requests, on the form below.

Porsche Concours d'Elegance and Porsche Corral – Monday, August 1st

Concours cost - \$30 per car

The Concours will be held at historic Forsyth Park in downtown Savannah about 5 miles away from the host hotel. There will be a police escort to guide the Porsches to this majestic site in the heart of this great old southern city. The cars will Parade through rustic Spanish moss-filled trees to be displayed on grounds surrounded by turn of the century architecture.

This year's event will include Porsches which will be competitively judged; shown in a Heritage/Historic car display; or just gathered in the car corral.

An air conditioned preparation area will be available at the convention center next to the Westin Hotel. In addition to the Porsche Concours d'Elegance, there will be a Porsche Corral. The Corral will be a large area at the Concours site reserved for a non-judged display of members' cars grouped by similar models. There is no fee to display your Porsche in the Corral.

Entrants may enter either the Porsche Concours or the Porsche Corral with their registered Porsche. Parade entrants may enter the Porsche Corral with another Porsche if the registered Porsche is entered in the Concours.

TSD Rally – Tuesday, August 2nd

TSD Rally cost - \$15 per car

The TSD rally will explore the beautiful countryside outside of Savannah. Our veteran Parade rallymasters will have something for all levels of rallyists; beginners will find the checkpoints without stress, and the experts will have some challenges on their way to a good score. Don't forget to attend the TSD rally school the day before, where rally experts will cover both basic and advanced rally topics to help you prepare.

Only the entrant who is bringing the rally Porsche should register for the rally. If you are driving or navigating another Parade entrant's Porsche, the other entrant must register for the rally and include your name on their rally registration. Junior Participation Program (JPP) members may not drive in the Rally but may navigate with either of their sponsoring PCA members driving. College Age Family Program (CAFP) members may either drive or navigate in the rally.

For TSD Rally, the vehicle must be the Registered Porsche (or the second Registered Porsche, if the first Registered Porsche is not street-legal).

Gimmick Rally – Thursday, August 4

Gimmick Rally cost - \$15 per car

The Gimmick Rally is designed to provide a scenic, entertaining and enjoyable morning for everyone, including families. The route will pass historic and charming stops of interest. Parts of the route will be designated as “Free Zones”, so you may leisurely enjoy southern hospitality if you choose, or you may drive the route straight through which should take less than 2.5 hours. This year’s goal is to keep things simple, short and entertaining! The Gimmick Rally will be held on Thursday morning at 8 AM, to beat the heat, and on a different route from the TSD rally, so you may enjoy participating in both rallies during Parade.

The “Gimmick” challenge of the Gimmick Rally will be distributed both prior to and at the Parade, with the rules clearly explained for everyone. Although simple in concept, successful teams will need both luck and strategy, so novices and experienced rallyists alike should enjoy the event and have an equal chance at a Parade trophy. There will be classes for traditional two-person driver/navigator teams, and for families of all ages and sizes. Rally teams may drive any vehicle, including tow vehicles and rental cars, with a minimum of two participants per vehicle and a maximum dictated only by the number of seatbelts. Hope you will be able to join in the fun!

Note: PCA insurance restrictions prohibit participation by anyone who is NOT registered for the Parade. Thus, you cannot have a friend or family member, adult or minor, “ride along” unless they are registered. There will be no exceptions.

Autocross –Wednesday and Thursday, August 3rd and 4th

Autocross cost - \$30 per person

The autocross will be held in the spacious paddock of the Hutchinson Island racetrack, just 2 minutes from the convention center. Once again, it is scheduled for two days, giving plenty of time for all who want to participate. Spectators will enjoy this one as well, as it is in close proximity to the hotels.

All Porsches entered in the autocross must pass the Parade Safety Technical inspection. Check the Parade schedule for time and place for the Parade Technical Inspection.

Registered Junior Participation Program (JPP) members and College Age Family Program (CAFP) members with a valid driver’s license may participate in the autocross in the same Porsche and same class as the parent(s).

The exact run schedule for the autocross cannot be determined until after registration but for planning purposes assume all Showroom Stock cars and some Production category cars will run on Wednesday with the balance of the Production category along with all Improved and Modified cars running on Thursday.

The run schedule will be distributed with plenty of time before the July 20 registration deadline, allowing you to register for other activities once you know your run schedule.

Your autocross classification is dependent upon the data you entered for the Registered Porsche and the PCRs. See PCRs for further information. It is your responsibility to correctly classify your Porsche. You may only enter one class and all entrants in the autocross must be in the same class - the only difference being men’s/ladies classes.

Technical and Historical Quiz – Friday, August 5th

Technical and Historical Quiz cost - \$15 per person

The tech quiz will be a written test of your knowledge of general, mechanical, and historic aspects of the Porsche family, business and model line. There will be 50 general questions that will be the same for all participants. There will be an additional 25 questions for specific model ranges from which you will choose which model range you want to take. And there will be seven tie breaker questions for everyone that will NOT count on your score, but will only be used to settle ties, if any.

The questions will be multiple choice, and true/false, and will have been reviewed by the technical committee for accuracy. The allowed time period will be 1 ½ hours. (See the appendix for a summary of classification rules.)

- Illustration
- Painting
- Classic Photography – Film and Digital
- Enhanced Photography – Film and Digital
- Computer Generated Art
- Sculpture
- Fiber Arts
- Jewelry
- Crafts

Please note that the categories are subject to change depending on the numbers and types of entrants.

The entries of children ages 15 and under will be displayed and judged as a group.

Qualified judges will select winners in various categories and for the Best of Show award. A People's Choice trophy will be awarded to the entrant selected by PCA members attending the Art Show.

Rules

1. Entrants must be current PCA members, affiliates or family members, and must be Savannah Parade registrants.
2. All art work must have express Porsche content, otherwise it will be disqualified. Each artist may enter up to two (2) pieces in each category. If you have multiple entries, you must submit separate entry forms for each artwork entered.
3. Artists must correctly classify themselves as amateur or professional (having sold or offered for sale their artwork within the past three years). The children's category is open to ages 15 and under. Improper classification will risk disqualification.
4. Entries must be handcrafted (no kits) properly framed, mounted or otherwise prepared for display and signed by the artist named on the entry. Entries in the competition categories must be entirely the work of the artist, not based on images provided by others, and not directed or assisted by an instructor or other person.
5. Entries must include an information label containing the artist's name, title of piece, medium, and price in US. Dollars (if the piece is for sale).
6. Artwork that has previously won at a Porsche Parade Art Show is not eligible for entry.
7. Artwork may be displayed for sale. Sales transactions are strictly between the artist and prospective buyer. There will be no commission applied by PCA for these transactions. Art for sale must remain in the show until the scheduled pick-up date after the show closes. Art must be picked by the entrant. Items selling during the show may be marked as sold.
8. Entries will be **hand delivered** to the show and picked up by the entrant at the close of the show during the designated pick up period.

9. We strongly suggest that art entered in the art show remain on display the entire period of the show. If you don't intend to remain at the Parade until the end of the art show please arrange with the art show staff to allow you to designate another Parade entrant to pick up your art work at the end of the art show.
10. Security will be provided during the show, but the Parade Committee and PCA accept no responsibility for loss or damage and no insurance is provided.
11. The Art Show committee will have final determination on the determination of the interpretation of the rules pertaining to this event and reserves the right to reject or disqualify any entry that does not comply with these rules.
12. It is anticipated that artwork will be displayed and judged in the categories listed. However the Art Show Committee may revise categories at the time of the show depending upon the actual entries.

Amateur or Professional

In PCA we are fortunate to have many Parade attendees who are professionals either by virtue of training and/or occupation or those who are able to find a market for their art. It is a long established policy of PCA to provide as great an opportunity as possible for Parade entrants to have a place to compete in the Art Show. For this reason, there is a long history of providing a competitive group for both professional as well as amateur artists.

Criteria for Selecting the Professional Group – If you have sold your art in the past three years, if you have an education preparing you for producing art, if you have a career in an art capacity or if you have art related items for sale in the Parade Goodie Store, you belong in the Professional Group.

Photography

The growth of the use of digital cameras and digital imaging has raised questions regarding how the Parade Art Show should adapt to the current imaging environment. In response to entrant questions the categories were reviewed and three changes have been incorporated for the Savannah Parade to provide more categories to compete. Each of these categories are described below to help an entrant in the photography categories correctly place their art in the proper category.

Classic Photography – This category includes original camera exposures on film and digital media. Scanned film media into digital files can be used. This category allows basic image manipulation such as cropping, contrast adjustment, brightness adjustment and spotting as well as the selection of image printing papers. No major elements of the original exposure can be removed and elements cannot be added to the image. Creative filters available in image manipulation software cannot be used. The produced image must represent camera generated photographic art.

Enhanced Photography – This category includes original exposures on film and digital media. Scanned film media into digital files can be used. This category allows the use of the manipulation tools of the *Classic Photographic* category. In addition photographers can use the creative techniques available in common image software programs for adding elements, removing elements of the original exposure and making major changes to lighting, colors and other software generated effects. The image entered in this category must represent camera generated photographic art.

Entries in the above two categories will be reviewed by the Art Show staff for compliance to the category requirements based on the art submitted. An entrant has the option to bring along to the parade their original camera exposure to show the staff should a question arise.

Computer Generated Art

This category may include any of the techniques of the two photography categories without limits and may include any digital or art techniques. Entrants are not required to use original camera exposures or photographic images.

The tournament will be held at the Club at Savannah Harbor. This 18-hole, par 72, Troon-managed course was designed by Robert Cupp and Sam Snead and offers excitement for both novice and experienced players. This course is the home of the PGA Tour's Champions Tour Liberty Mutual Legends of Golf and is rated the #3 "course you can play" in the State of Georgia, according to Golf Week 2010. To get an idea of what the course is like, check out their website at: <http://theclubatsavannahharbor.com/index.php>.

The tournament will be a scramble format, with a shotgun start. There will be plenty of water to drink while playing as it might be a tad warm. You will have a chance to win prizes for the longest drive and closest to the hole (men and women) as well as prizes for the "best team scores". You may form your own team, or be assigned to play with others. Every effort will be made to satisfy your player/team preferences, but there are no guarantees.

Your entry fee will include the practice range, green fees, cart, divot tool and souvenir bag tag, and a golf shirt (men's and women's styles). It also includes lunch after the tournament, on site, during which time the scores will be posted and prizes awarded. Rental clubs are available if needed.

After the tournament, we will have a lunch with your choice of fish and chips or chicken cob salad, with tea or coffee and NY cheesecake with fresh berry compote for dessert.

A shift is between 3 to 6 hours, normally a morning (AM), mid day (md) or an afternoon (PM) shift. Work two shifts and you will be qualified to attend the Volunteer Lunch on Saturday, August 6 which includes a great lunch, time for socializing, and door prizes. Upon arrival at Jekyll Island we will be directed to parking in a Porsche Corral in the Jekyll Island Club National Historic Landmark District. We have arranged a guided tour by tram for everyone, or you may choose to stroll the 240 acre historic district at your leisure.

Parade of Porsches

Saturday, August 6

2:00 – 4:30 PM

\$10 per car

The Parade of Porsches is back! A once-in-a-lifetime opportunity, this year we will honor a very special Centennial. Celebrating the origins of Savannah's racing history, this Parade will commemorate the Great Savannah Races (the American Grand Prize Race, the Tiedeman Cup, and the Vanderbilt Cup) of 1908, 1910 and 1911.

Navigating (with police escort) the now city streets of Savannah, the birthplace of Grand Prix racing in America, the tour will trace the original race route beginning at Daphin Park, the site of the original start/finish line. Throughout the 25-mile distance of roadways that were once home to such drivers as Louis Wagner (who raced to victory in a Fiat in the 1908 Grand Prize Race) and Billy Knipper who, in a Lancia, claimed the Tiedeman Cup in 1910, participants will get the chance to see some of Savannah's historic racing background, including the Bethesda Orphanage where resident orphans built rocking chairs and rented them to spectators along the race route. Participants will get a real feel for Savannah's racing heritage. This is a not-to-miss opportunity!
